

How Do I Use Chase Travel Ultimate Rewards Points for Travel? (2026 Complete Guide)

Meta Description

Learn how to use Chase Travel Ultimate Rewards points for flights, hotels, and vacations. This in-depth guide explains redemption steps, value tips, booking methods, and how helpdesk, helpline, and live agent fast support can assist you.

Quick Answer

You can use Chase Ultimate Rewards points by logging into your Chase account, opening the Chase Travel portal, searching for travel (flights, hotels, car rentals), and selecting “Pay with Points” at checkout. Points can cover full or partial payment depending on your balance and card type.

What Are Chase Ultimate Rewards Points?

Ultimate Rewards points are loyalty rewards earned through eligible Chase credit cards. These points can be redeemed for travel, cash back, gift cards, or transfers to airline and hotel partners.

When used through the Chase Travel portal, they are most commonly used for:

- Flights
- Hotels
- Rental cars
- Vacation packages
- Cruises (in select cases)

The biggest advantage is flexibility—you can mix points and cash or fully redeem with points.

How to Use Chase Ultimate Rewards Points for Travel

Step 1: Log into Your Chase Account

Sign in through the Chase website or mobile app using your secure credentials.

Step 2: Open Chase Travel Portal

Navigate to the “Ultimate Rewards” section and click on “Book Travel.”

Step 3: Search for Travel

Enter destination, travel dates, and preferences such as economy or business class flights.

Step 4: Select Your Option

Browse available flights, hotels, or rental cars displayed with point values and cash prices.

Step 5: Choose “Pay with Points”

At checkout, select how many points you want to use. You can:

- Pay fully with points
- Combine points + cash

Step 6: Confirm Booking

Review details and confirm. You will receive an instant confirmation email.

Best Ways to Maximize Chase Ultimate Rewards Points

1. Use Travel Portal Boosts

Some Chase cards give higher redemption value when booking through the travel portal.

2. Book Flights Strategically

Use points for expensive flights to maximize value per point.

3. Compare Cash vs Points Value

Always compare if paying cash is cheaper than using points.

4. Transfer to Travel Partners

You can sometimes get better value by transferring points to airline or hotel partners.

Using Points for Flights, Hotels & Packages

Flights

You can book domestic and international flights using points. Major airlines are included in search results.

Hotels

Thousands of hotels are available worldwide, from budget stays to luxury resorts.

Vacation Packages

Bundle flights + hotels for better value and convenience.

FAQs About Using Chase Ultimate Rewards Points for Travel

1. How do I use Chase Ultimate Rewards points for travel bookings?

Using Chase Ultimate Rewards points begins by logging into your Chase account and accessing the travel booking portal through the rewards section. Once inside, you can search for flights, hotels, or rental cars and choose the option to pay with points at checkout. The system will display both cash prices and point equivalents. You can either fully redeem your points or combine them with a credit card payment. After confirming your booking, you will receive instant travel confirmation. If any issues occur, helpdesk or live agent support is available for guidance.

2. Can I use Chase points for international flights?

Yes, Chase Ultimate Rewards points can be used for both domestic and international flights. Through the travel portal, you can search for flights across major global airlines. Points can be applied directly during checkout, making international travel more affordable. Availability may vary depending on airline inventory and travel dates. It is recommended to book early for better redemption value. If you encounter booking limitations or pricing issues, the helpline or fast support team can assist you in finding alternative options or adjusting your itinerary.

3. What is the best way to maximize Chase travel points value?

The best way to maximize value is to compare redemption options before booking. Sometimes using points through the travel portal gives a fixed value per point, while transferring to airline partners may offer higher value. Booking expensive flights or hotels usually provides better returns. Flexible travel dates can also help you find better deals. Additionally, using promotional offers or card-specific boosts increases redemption efficiency. If you need assistance evaluating options, a live agent or helpdesk can guide you toward the best value strategy.

4. Can I combine Chase points with cash for booking travel?

Yes, Chase allows users to combine points and cash for travel bookings. This feature is useful when you do not have enough points to cover the full cost of a trip. During checkout, you can adjust the number of points you want to use and pay the remaining balance using a credit card. This flexibility ensures that you can still travel even with partial point balances. If you face issues selecting payment methods, fast support or live agent assistance can help resolve it quickly.

5. Do Chase Ultimate Rewards points expire?

Chase Ultimate Rewards points generally do not expire as long as your account remains open and in good standing. This makes them highly flexible compared to other loyalty programs. However, if your account is closed or becomes inactive due to policy violations, points may be forfeited. It is important to regularly monitor your account and use points strategically. If you are unsure about your point status, contacting the helpdesk or helpline can provide accurate and updated account information.

6. Can I transfer Chase points to airlines or hotels?

Yes, Chase Ultimate Rewards points can be transferred to several airline and hotel loyalty programs. This option often provides higher value compared to direct booking. Transfers are usually instant or take a short processing time depending on the partner. Once transferred, points cannot be reversed, so careful planning is essential. This method is ideal for travelers looking for premium flight upgrades or discounted luxury stays. If you need help selecting transfer partners, a live agent or support team can guide you.

7. What should I do if my Chase points are not showing?

If your points are not showing, first check your account summary after logging in. Sometimes system delays or syncing issues can temporarily hide balances. Refreshing the page or using the mobile app may help. Ensure your credit card is properly linked to the rewards account. If the issue persists, clearing browser cache or updating the app can resolve it. For unresolved cases, contacting the helpdesk or fast support helpline ensures a live agent can investigate and restore access quickly.

8. Can I use Chase points to book hotels?

Yes, Chase Ultimate Rewards points can be used to book hotels worldwide through the travel portal. You can choose from budget hotels, boutique stays, or luxury resorts. During booking, the system displays both cash and points options, allowing flexible payment methods. This makes hotel booking simple and cost-effective. Availability may vary based on location and dates. If you face difficulty finding suitable hotels or applying points, the helpdesk or live agent support can assist you in completing your reservation.

9. Is it better to use points or cash for travel bookings?

The decision depends on the value you get per point compared to cash prices. In some cases, using points provides excellent savings, especially for expensive flights or hotels. However, sometimes paying cash and saving points for later transfers may be more beneficial. Always compare both options before confirming a booking. Travel flexibility, destination, and timing also affect value. If you are unsure, the helpline or live agent support can help analyze the best option for your trip.

10. What support is available for Chase Travel users?

Chase Travel users have access to multiple support channels, including helpdesk assistance, helpline services, and live agent fast support. These services assist with booking issues, point redemption problems, account access, cancellations, and technical errors. Whether you are planning a trip or managing an existing reservation, support teams are available to guide you step-by-step. Fast support ensures urgent issues are handled quickly, helping travelers avoid delays and complete bookings smoothly and securely.
